

## Working on our Psychology using the Teachings of the Ascended Masters: Part 2

### **Living Truth Decree**

In the name of the beloved mighty victorious Presence of God, I AM in me, my very own beloved Holy Christ Self, and Holy Christ Selves of all mankind, I call to the beloved Maha Chohan, beloved Mighty Vesta, beloved Pallas Athena, beloved Hilarion and the Brotherhood of Truth, beloved Jesus the Christ, beloved Mother Mary, Lady Master Meta and beloved Archangel Raphael, beloved Mighty Cyclopea, and all powers, beings, activities and legions of Light, beloved Lanello, the entire Spirit of the Great White Brotherhood and the World Mother, elemental life — fire, air, water, and earth!

To charge forth into the four lower bodies of all mankind and especially the youth of the world and their teachers the flame of living Truth which transmutes forever all erroneous concepts, feelings, suggestions, and manifestations into the full power of the Light of God which never never, never fails through this my decree.

O God of Truth, I AM in all,  
For understanding now I call;  
To see Thee in thy fullness, Lord,  
Behold, is living Truth adored.

I AM aware by reason pure  
That only God can make secure  
The lifetime's search for heaven's Law  
That enters, filling hearts with awe.

Come now and help me Truth enshrine;  
All understanding now is mine  
Whene'er I open wide the Door  
No man can shut forevermore.

O blazing Light of living Truth,  
Thou fountainhead of lasting youth,  
Come pour thy radiance through my mind  
Until in peace at last I find

That God's own Spirit manifest  
Is ever and alone the best  
And holds each man in right secure  
To understand the Law as pure;

That God's own Law is Truth alone,  
For every error does atone,  
And lifts all to the pure estate  
Where Silent Watchers watch and wait

To vest Ascended Master youth  
With blest Hilarion's ray of Truth.  
Pallas Athena, thy Truth be  
Our scepter of authority!
