

Assembling the Components of the Soul

In the name Brahman, in the name I AM THAT I AM, Sanat Kumara, I call to Helios and Vesta, the Lords of Life and Individuality, the Goddess of Wisdom, Jesus Christ, Mother Mary, Kuthumi, beloved Lanello and Guru Ma for the mastery of the seat-of-the-soul-chakra, the point in the planes of mater whereby the light of the heart must descend to infuse identity with individuality.

I call for the Masters to rescue those parts of my soul that are a prisoner of another consciousness or in another plane. If my soul dwells in the past or with another part of life, I command that it return to the soul chakra. Assemble the components of my soul, if its forcefield has been split by very intense fears of the past—traumatic experiences—wherein the soul has been driven underground, far into the depths of the subconscious like a frightened child. I call back my soul to the throne room—back to the three-in-one, back to the place where the trinity of the threefold-flame is enshrined in the temple of the heart. Let me experience wholeness by magnetizing solar fire, solar evolution and solar consciousness.

If my soul is the prisoner of another consciousness or in another plane...**cut it free!** Exorcise any demons, discarnates or fallen ones who have invaded the temple vacated by my soul consciousness. I withdraw the loyalties of my soul from the human consciousness and to the flesh, and I give them to God, my Mighty I AM Presence.

Assemble the components of my soul under the canopy of the Christ, align its components with the cube of the heart.

Beloved Masters, give me the power, the will, and the determination to cleanse my temple to make room for the delicate faculties of the soul and its intuitive powers.

In the name of the Christ, I call for the assembling of the components of my soul, the releasing of my soul from loyalties to the human consciousness, the drawing together of soul consciousness and solar awareness. I command the atoms, cells, and electrons of my soul to return to the soul chakra under the canopy of the Christ. (3x)¹
