In the name Brahma, Vishnu and Shiva¹

SHATTER. SHATTER. SHATTER. Dissolve and consume the cause, core, effect, record and memory of the sinister force out of Death and Hell that is conveyed electromagnetically through all those who serve Darkness—that consciousness that is a steady vibration of the denial of selfhood, the most pernicious force of Evil that does bring about the demise of many.

We call for the binding of the dweller on the threshold of those who send the vibration of the denial of selfhood, as an ELF wave. I call for the pulling of the plug on the seed of the wicked through the heart of Helios and for the binding and judgment and the casting out of the dweller on the threshold of those that beam that message of non-self-worth, of the denying of the self created in God. And I call for the binding of the beam and the message as well.

ELOHIM. ELOHIM. ELOHIM. Bind the consciousness of the denial of self-worth that says, "I am not worthy." Dissolve and consume the point of the sinister message of the false hierarchies of fallen ones and the entire planetary momentum of this sounding of a sound of God-denial that does pass like radio waves through all, though they cannot hear or sense it.

We invoke the mighty angels for the binding of forces that keep so many in this state of consciousness and the bombardment that comes from every quarter and sector of life, from every source of degradation. Cut free the lightbearers from this spiritual suicide of self-denial. Holy angels come and wage war against those who deny Thyself in God's creation, mesmerizing that creation to embrace self denial.

¹ Vol. 34 No. 43 - Beloved Brahma-Vishnu-Shiva, September 8, 1991

Archangel Michael and legions of Light assist us in putting on that mighty armour and wielding the sword to challenge that momentum of the denial of God and of that spiritual suicide. SHATTER, dissolve and consume this vibration, this wavelength that is the best-kept secret of Lucifer, of Satan and of the sinister force.

We call upon ring upon ring of angels of Light to personally deliver this message to _____ and the Lightbearers beset with a derangement of mind and schisms of the psyche, and problems that can be traced back to that moment when the individual did deny the worth of God and the worth of the True Self, which is God within himself and the conviction of the fallen ones that the lower self has nothing to do with the Great God self, that it is sinner beyond sin, beyond forgiveness, beyond repentance.

Beloved Jesus Christ, thou great Mediator, rescue those in the deepest levels of despair.

Hosts of the LORD answer this my call for the binding of this planetary beast of dimension greater than the earth itself. Bind and consume the cause, core, effect, record and memory of that point of the nerve of hell, that point of the ultimate destruction of the individual.

I call to the entire Spirit of the Great White Brotherhood to go after _____ and those Lightbearers who must not be lost, those who once had a threefold flame, those souls who can be remagnetized by the Great Central Sun Magnet to the divine polarity of Alpha and Omega, those souls who can be reached through some form of truth.

I invoke the intercession of angelic hosts for the saving of many souls who at the end of an age could be lost—for they have lost their divine spark and their divine momentum, yet they are not evil per se. According to Thy will, of God.
