

## *Communion Prayer*

Our beloved Lord Jesus, as Thou hast said, "Take, eat: this is my body, which is broken for you . . . . This cup is the new testament in my blood; this do in remembrance of me," so come break the Bread of Life with us and pour thy sweet Communion cup. In commemoration of the oneness of the Mystical Body of God in heaven and on earth, we celebrate thy victory over Death and Hell and thy resurrection unto eternal Life.

(Hold thumb and first two fingers of the left hand to the heart and raise the right hand, palm extended toward the bread and the wine, while reading the following paragraphs.)

Centered in the flame of thanksgiving, All One, we share thy Blood and thy Body, the Alpha and the Omega of our Father-Mother God. Come, O Lord, as we are gathered in thy name. Bless now this bread, this wine. Let it carry the full measure of your Christ essence for the renewing of our spiritual natures in this divine alchemy of transubstantiation.

Make us holy, for thou art holy.  
Holiness unto the LORD!  
Make us worthy, for thou art worthy.  
Worthiness unto the LORD!

And let us drink of this fruit of thy Vine new with Thee in the kingdom, even as we partake of it now with beings unascended and beings ascended, Masters, saints, angels and Archangels – glorious beings all one in the Life, Light, Truth and Love of the Divine Mother.

(Raise the Communion elements, the bread and the wine/grape juice and say:)

**O Soul of Mine, Ascend!**

(Partake of Holy Communion.)

By the full Power of the Three-times-Three, in the name of the Father, the Son, and the Holy Spirit, it is done.

I AM the Goodness, Peace and Joy of Almighty God manifesting everywhere in the hearts of Christ's communicants worlds without end! Amen.
